College Update | Week 5, Term 2, 2025

Halfway Through Term 2!

We've officially reached the midpoint of Term 2 – a great opportunity to pause, reflect, and celebrate the learning and growth we've seen across our college so far. Classrooms are buzzing with activity, assessments are underway, and students are showing focus, determination and care in their daily learning.

From cross country events to wellbeing initiatives like TRP, and the meaningful participation in Small Steps 4 Hannah activities, and our highly anticipated Twilight Open Evening, we're proud of the way our students, staff and families continue to come together in support of our college values.

Thank you for your continued partnership and support. Looking forward to the second half of the term as there's still plenty to look forward to, including Under 8's Day, excursions, and end-of-term milestones.

Thank you for being part of our wonderful college community!
