College Update | Week 5, Term 4, 2025

Halfway Through Term 4!

We're already at the halfway mark of Term 4, and the weeks are flying by! From classroom learning to extracurricular activities, there is a wonderful energy across our college as students embrace new challenges and experiences.

Our college thrives when students are present and engaged. Every day at school is an opportunity for learning, connection, and growth — moments that can't be replaced. Thank you for supporting your child's learning journey and helping them make the most of every learning opportunity.

Thank you for being part of our wonderful college community!

Calendar of Events

We encourage families to visit our [College Events Calendar](#), available on our school website. This calendar is linked directly to each newsletter and can also be found under the "Contact the School" and "Newsletter Archive" tabs.

We understand the busy schedules of families, and we continue working to make planning and engagement easier. By keeping the college calendar accessible online, we hope to provide a central reference point for upcoming activities. While the calendar is updated regularly, and some event details may change, we strive to keep it as accurate and up to date as possible to support your forward planning.

College Newsletter

Each term in weeks 5 and 10, we publish our college newsletter. We know that families at Whites Hill State College are at the heart of a vibrant community, and staying connected is key to nurturing that sense of belonging.

By subscribing to our college newsletter, you're not just receiving updates; you're joining a network that values communication, collaboration, and support. Whether it's important announcements, exciting events, or heart-warming stories from our school community, our newsletter aims to keep you informed and engaged in the journey of your child's education. Your subscription not only strengthens our bond as a school family but also ensures you never miss a moment of the wonderful experiences we share together.

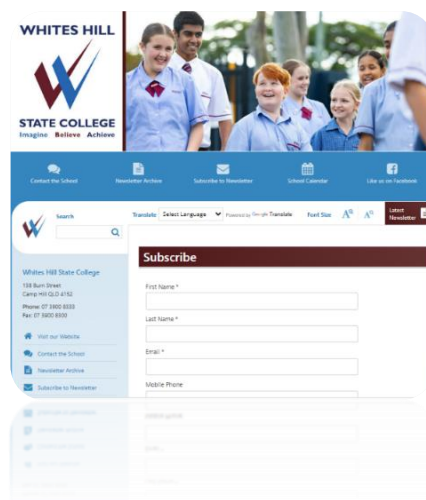

Please join us in staying connected and informed by subscribing today!
