

College Update | Week 9, Term 2, 2026

Imagine. Believe. Achieve.

As we enter Week 9 of Term 2, I want to commend everyone for their resilience and hard work. This week is critical as we wrap up our academic activities and end-of-term exams. Let's keep up the momentum and finish the term on a high note. I encourage everyone to make use of all available resources and support to ensure the best possible outcomes.

We know that end-of-term assessments and exams are well underway. We are also aware that having a clear, supportive and at times flexible plan can assist in rising to the end of term expectations. Some things to keep in mind as we continue to work collaboratively in support of each other:

- Create a Study Schedule: Plan your study time and stick to it.
- Stay Organised: Keep your notes and materials in order.
- Take Breaks: Short breaks can help maintain focus.
- Ask for Help: Reach out to teachers or peers if you need assistance.
- Stay Healthy: Ensure you get enough sleep, eat well, and stay hydrated.

Synapses Ignite – Wednesday 24 June

On Wednesday 24 June our students are hosting the Synapses Ignite arts event. This annual arts event is a showcase of student artworks from primary through to secondary.

Students have been rehearsing and creating works for this event throughout the semester. Our students are very proud of their creations and are keen to showcase their achievements.

We extend a warm welcome to all members of our community to attend and experience the collection of artworks, multimedia works, musical performances and soundscapes prepared for this event and see the performers, engineers, photographers and event workers in action.

To add to the festivities, we have booked a food truck for the evening. Please lock this special event into your calendar. We look forward to seeing you there!

Uniform Focus – Consistency

It has definitely become cooler over this past fortnight, and as such it brings a timely reminder about our uniform policy.

Wearing the correct uniform is more than a requirement, it is a visible sign of belonging, pride and respect for our college community. Consistent adherence to uniform expectations supports equity, reduces distractions and helps maintain a positive learning environment.

We ask families to continue supporting by ensuring that students:

- Wear the full and correct uniform each day (refer to the uniform policy on our college [website](#)).
- Present in a neat and tidy manner
- Wear their hat when outdoors in line with our sun-safe expectations
- Follow all uniform and footwear guidelines

Staff will continue to work with students to reinforce these expectations, and we appreciate your partnership in maintaining high standards. A reminder that winter uniforms are now in stock.
