College Update | Week 3, Term 2, 2026

Imagine. Believe. Achieve.

We are now well into Term 2, and it has been pleasing to see students across the college settled, focused and fully engaged in their learning. Classrooms continue to reflect strong routines and high expectations, with students embracing the opportunities this term brings.

Thank you to our families for your ongoing support as we work together to build a connected, inclusive and high-expectations learning environment for every student.

A strong sense of belonging remains central to our work in 2026. When students feel known, valued and supported, they are more confident to engage in their learning and achieve success.

Across the college, we continue to see this in action through respectful interactions, positive classroom engagement and students supporting one another. These everyday moments are what build a strong and inclusive culture.

Queensland Engagement and Wellbeing (QEW) Survey

Parents of student in Years 4 – 12 will have received correspondence that over the coming weeks, students in Years 4 to 12 will be able to participate in the Queensland Engagement and Wellbeing (QEW) Survey.

This survey provides valuable insight into students' experiences of school, including their sense of belonging, engagement and wellbeing. Student voice is critical in shaping our future planning, and we encourage all students to approach the survey thoughtfully. Please contact the office if you have any questions.

Social Media and Online Safety

Supporting our young people to be responsible users of social media continues to be a shared responsibility between school and home.

We encourage families to access the excellent [resources provided by the eSafety Commissioner](#), including parent [webinars](#) and platform-specific guides. These resources provide practical strategies for supporting safe and responsible online behaviour.

A reminder to families that from December 2025, new legislation introduced a minimum age of 16 for certain social media platforms.

It is also important to note that where student behaviour on social media:

- Disrupts the good order of the college
- Brings the college into disrepute, or
- Constitutes bullying

the Whites Hill Student Code of Conduct will apply.

Small Steps 4 Hannah

On Thursday 7 May, our college will participate in activities supporting Small Steps 4 Hannah, focusing on respectful relationships and the importance of kindness and safety in our community.

Students are invited to wear pink and bring a gold coin donation in support of this important cause. Activities throughout the day will reinforce the values of respect, empathy and care for others.

Primary Open Day Monday 25 May 8:50 – 10:45am (for new families)

Have you shared with friends or family and reminded them to book in for our Primary Open Day? Tours, performances and more await! Book Here: <https://forms.cloud.microsoft/Pages/ResponsePage.aspx...>

Secondary Open Day – Twilight Expo Monday 25 May 3:15-5:30pm

Don't forget to book your experience at our college at the Secondary Open Day with guided tours, performances and hands-on activities. Book Here: <https://forms.cloud.microsoft/pages/responsepage.aspx...>

Celebrating Learning Beyond the Classroom

We continue to be proud of the way our students represent the college beyond the classroom. Experiences such as excursions and fieldwork provide valuable opportunities for students to apply their learning in real-world contexts, while building confidence, independence and teamwork.

Thank you, as always, for your ongoing support and partnership. Together, we continue to build a college community where every student is supported to thrive.

Every student. Every classroom. Every day.
Have a wonderful Week 3.

Kind regards

Richenda Wagener

College Principal
