College Update | Week 5, Term 3, 2026

Imagine. Believe. Achieve.

As we head into Week 5, it has been wonderful to see students continuing to engage positively in their learning, extracurricular activities and college life. A reminder that Wednesday 12 August is a Public Holiday for the Ekka Show. Thank you to our students, staff and families for the way you continue to work together to support a positive, connected and high-expectations learning environment.

2026 School Photos

Our school photo days have now finished. Thank you for your support and cooperation throughout the process.

Please note that there is still a lengthy process before the photos are ready for distribution. This includes proofing, editing and preparing the photos for printing. **Online ordering can still be completed during this time.**

Once the finished photos arrive at the school, they will be distributed to families as soon as possible. We appreciate your patience and understanding in the meantime.

Play On! Sports Vouchers

Queensland families may be eligible for the Queensland Government's Play On! Sports Voucher Program, which helps reduce the cost of children's participation in sport and active recreation.

Eligible children can access vouchers to assist with registration, membership and participation fees, helping more young people stay active, connected and involved in community sport.

We encourage families to check their eligibility and learn more about the program via the Queensland Government website: <https://www.qld.gov.au/recreation/sports/funding/playon>

Participation in sport provides tremendous benefits for young people, supporting physical health, wellbeing, confidence, teamwork and a sense of belonging.
