

College Update | Week 9, Term 3, 2026

Imagine. Believe. Achieve.

As we move into the final weeks of Term 3, there is a real sense of momentum across the college. Students continue to be actively engaged in learning, assessment, co-curricular opportunities and preparations for a number of exciting end-of-term events.

A reminder to families that tomorrow, **Friday 4 September, is a Student Free Day** and **Whites Hill State College will be closed to students on this day**. We look forward to welcoming students back the following week refreshed and ready for another exciting phase of learning.

Thank you to our students, staff and families for the positive contribution you make to our college community each day. It is through these strong partnerships that we continue to build a college where every student feels welcome, supported, known, heard and present.

2027 Enrolments

We continue to welcome applications for both Prep 2027 and Year 7 2027.

Over recent weeks, it has been wonderful meeting prospective students and families as part of our enrolment interview process. These conversations are an important opportunity for us to learn more about each child and begin building the relationships that support a successful start at Whites Hill State College.

If you are considering WHSC for your child's education in 2027, we encourage you to contact the college and commence the enrolment process as soon as possible.

Thank You to Our P&C – Father's Day and Significant Others Stall

A sincere thank you to our wonderful P&C for coordinating the Father's Day and Significant Others Stall on Wednesday 2 September.

These events are always greatly appreciated by students and families and provide children with an opportunity to purchase a thoughtful gift for an important person in their life.

We are incredibly fortunate to have such a dedicated group of volunteers who continue to support our students, staff and wider community through events like these. Thank you for the time, effort and organisation that goes into making these special occasions possible.

P&C Movie Night – Friday 11 September

We would also like to thank the P&C in advance for organising the upcoming Movie Night on Friday 11 September.

Events such as these provide valuable opportunities for families to connect, strengthen friendships and celebrate the wonderful sense of community that exists at Whites Hill State College.

We encourage families to keep an eye on P&C communications on Facebook for further details and look forward to seeing many members of our community come together for what promises to be a fantastic evening.

Uniform focus

Maintaining high standards with our uniform is something we continually strive for together.

Our college uniform is an intentional choice, designed in partnership with our community to bring a sense of belonging and connection. Even small departures from the set uniform can speak volumes and affect how we are seen as a group. We ask all students to wear their full uniform with pride as we nurture a culture of pride as a community.

- All students are subject to school expectations when they can be identified as Whites Hill State College students. This includes when they are travelling to and from school, as well as within the college grounds.
- Each student's uniform is to be clean and presentable.

- On formal occasions, all students should wear the formal uniform (except in circumstances where uniform exemptions for medical conditions are in place).
- If a student's hair is touching or longer than the shoulder seam of the college formal shirt, it must be tied back. Hair is to be of a natural colour.
- Some points to note about jewellery:
 - 2 earrings (stud or sleeper) per ear in either lobe or helix may be worn.
 - Other piercings are not approved by the college as they can be a workplace health and safety hazard, this includes nose piercings and ear bar piercings known as industrial, scaffold or construction piercings.
 - Whilst in college uniform other piercings, existing or new, will be expected to be removed, or be pierced with a clear stud only.
- Specific details about **jewellery** can be found in the [uniform policy](#).
- For our secondary students, if a student is wearing a non-uniform item of clothing (including shoes) then it is their own responsibility to visit student services/office before school begins to exchange it for the correct uniform item before attending classes. If a suitable exchange item is not available students will be issued with a uniform pass for the day. In instances where a uniform pass is needed for longer than one day students should make contact with the relevant Culture and Engagement Coordinator, or Head of School.

Please refer to our uniform policy found on our [website](#) in regards our expectations and parent commitments to our school pride. Uniform shop [link](#).

Thank you

As always, thank you for your ongoing support of Whites Hill State College. The final weeks of Term 3 provide many opportunities for students to learn, connect and celebrate their achievements. We look forward to finishing the term strongly together.

Every student. Every classroom. Every day.

Kind regards,

Richenda Wagener

College Principal

Important Date Claimers for the Weeks Ahead

A reminder to families that **Friday 4 September** is a **Student Free Day**, and as such **WHSC will be closed** on this day
