College Update | Week 1, Term 4, 2026

Imagine. Believe. Achieve.

Welcome back to all students, staff and families as we commence Term 4, the final term of the 2026 school year.

I hope everyone enjoyed a restful holiday break and had the opportunity to spend quality time with family and friends. We return refreshed and ready for what promises to be another exciting and productive term across our Prep to Year 12 college.

Term 4 is always a busy and rewarding time of year. Across the college, students will be engaged in learning, assessment, celebrations, transition activities and a range of co-curricular opportunities. We also look forward to a number of significant milestones, including Year 12 Graduation, Year 6 transition activities, our Prep Explorers program for future students, end-of-year performances and celebrations, and the many opportunities we have to recognise student achievement and growth.

As always, our focus remains on ensuring every student feels welcome, supported, known, heard and present. Strong attendance, positive routines and a commitment to learning will help all students finish the year strongly and make the most of the opportunities ahead.

Thank you to our families for your continued partnership and support. Together, we continue to build a college where students are challenged to achieve their personal best and experience a genuine sense of belonging.

We look forward to another fantastic term at Whites Hill State College.

Kind regards,

Richenda Wagener

College Principal
