

WHITES HILL

STATE COLLEGE

Imagine Believe Achieve

Strong Start, Strong Learners!

Time to enrol your child for Prep!

Choosing where to start your child's education for the Prep year is an important decision for every parent. At Whites Hill State College, we believe in doing everything we can to support parents and young children in this foundation year of learning.

We have learnt through practice and research that children in the first year learn most effectively with one-to-one learning. For this reason we offer an award winning individualised reading program where children receive explicit instruction from a trained adult.

Experience has shown us that successful learners in Prep love to read and write! This success builds confidence, as the learner progresses along their journey of learning. As a Pre Prep parent, you may wonder what you could be doing in preparation for Prep, and what steps you can take to get to know us a little bit better!

What you can do next!

1. Please **Enrol!** To secure your child's Prep placement, please complete our '**Enrolment Form**' accessible from our website or school office. As part of this enrolment process, you will be required to produce your child's birth certificate to be copied by our office. Prep Interviews are held in August and Orientation Days for our pre Preps in October.
2. Please read our **Prep Brochure** and visit our **Website** to learn more about our College.
3. Subscribe to our **online newsletter** to read, and see, all the great things we are achieving from Prep to Year 12.
4. Don't forget to join our **Facebook** page from the website to stay informed, and join in with the wonderful community that makes up Whites Hill State College.
5. Most importantly, please attend our **Prep Information Evening!** During this presentation you will meet our Prep team and Principal. If you can only attend one event about Prep for next year – this is it. We will be in contact soon with this important date. We really look forward to working with you during this process and welcoming you and your child to the Whites Hill family next year!
