

## OHSC Update

Dear Parents / Caregivers

After an extensive 6 month process run in partnership between the college and the P&C I am pleased to announce YMCA as the successful applicant to take over the management of our OSHC program from Semester II 2020.

The YMCA OSHC service offers a wide range of fun, stimulating and appropriate programs that reflect real world experiences and home settings. This helps encourage a sense of community amongst the children, facilitates leadership skill development and allows your child to practice social skills in a supported and caring environment.

YMCA Whites Hill OSHC activities and plans are aligned with the YMCA Mission – to provide opportunities for children to grow in body, mind and spirit – underpinned by their values of Honesty, Caring, Respect and Responsibility. They blend this philosophy with the National Quality Framework 'My Time Our Place' and Whites Hill State College's educational principles to develop appropriate, engaging and most of all FUN activities for your child whilst in our care.

YMCA Whites Hill OSHC will operate from 6.30am to 9.00am and 3.00pm to 6.00pm Monday to Friday. They also offer onsite Vacation Care (Holiday Club) which operates from 6.30am to 6.00pm.

Current staff will have the opportunity to apply to continue their employment with YMCA so children and families will continue to see many of the same friendly and supportive faces despite the change in management.

Whilst we look forward to partnering with YMCA, I would like to sincerely thank all of the current and past P&C Executive members who volunteered so much of their time to previously lead, develop and manage our OSHC service. The considerable investment of our parent community over a long period of time laid the foundation of the great service we have and the college is looking forward to building on this with YMCA.

College Principal

# YMCA Outside School Hours Care Coming Soon to Whites Hill State College

YMCA Outside School Hours Care would like to take this opportunity to introduce ourselves to the Whites Hill State College community.

As of 13th July 2020 YMCA OSHC we will be operating from the existing OSHC building.

Our service offers a wide range of fun, stimulating and appropriate programs that reflect real world experiences and home settings. We escort preps and grade ones to and from their classrooms.

Children are provided with a nutritious breakfast and afternoon tea.

We also offer care during school holidays and on pupil free days through our Holiday Club.

Please look out for our Online Enrolment details and service contact details to follow soon.

We thank you again for accepting us into your community, and we can't wait to meet you!
