Steps to create your Unique Student Identifier (USI)

A USI is effectively an account or 10 character alpha-numeric reference which will allow all of an individual's training records, entered in the National Vocational Education and Training data collection, to be linked. The USI will make it easier for students to find, collate and authenticate their VET achievements into a single transcript. It will also ensure that students' VET records are not lost

PLEASE NOTE: The College is not permitted to issue Statements of Attainment or Certificates unless a student has a verified USI.

The following steps show how to create your Unique Student Identifier (USI). You will need this number to be recorded for all VET subjects you are studying both in and out of school.
