## From the Principal

### School overview

Whites Hill State College is an Education Queensland facility, located eight kilometres from the centre of Brisbane at Camp Hill, a south-eastern suburb of Brisbane. The College delivers programs to students from Prep to Year 12, in three sub-schools: Junior Prep-Year 5, Middle Year 6-Year 8 and Senior Year 10-Year 12. The College vision is 'Imagine Believe Achieve'. The aim of the College is to nurture the development of the individual through all phases of learning. Our mission is to prepare students as future global citizens through Leadership and Enterprise. The College has high expectations in performance, behaviour and personal presentation. Staff are committed to maximising achievement, providing purposeful learning and quality teaching, maintaining safe surroundings and fostering care for the individual student. Students are supported by a strong and effective student services team that includes a Guidance Officer, chaplains, an Industry Liaison Officer, a Youth Support Coordinator and a School Based Youth Health Nurse. The College offers a balanced curriculum for students in the Junior and Middle Schools, as well as a wide range of academic and vocational subjects for senior students (including School Based Apprenticeships and Traineeships) within a comprehensive curriculum framework. The College is an accredited Asia Learning Centre and hosts a range of International Student Programs, including an ELICOS High School Preparation Program that is NEAS accredited. Students are encouraged to participate in a wide range of extra-curricular and community activities, including: Student Council, Interact Club, leadership programs, Robotics Club, National Book Week, competitions (Maths, Science, University of NSW), charity work, excursions, camps and inter-school and representative sport. The College has developed strong links with the broader community including: service clubs, local businesses and industry, universities and other educational providers. There is a focus on sustainability and one example is the Junior School Grubby Gardeners program, which is supported by a local business. The first year Griffith University subject, Introduction to Marketing, is delivered on site to Year 12 students. Extensive renovations to create purpose-designed middle school classrooms and computer pods were carried out prior to the opening of the College. The College campus has extensive grounds that contribute to a quiet, effective learning environment. College facilities include a hall, Junior playgrounds, a pool, tennis courts, basketball courts, netball courts, three sports ovals, library, music facilities, a comprehensive information communications technologies network, and specialist teaching areas such as Art, Business, Drama, Home Economics, Languages, Manual Arts, Music, Science and Technology. A new E-Learning Centre will open early in 2011. Recent facility refurbishments have also enhanced the learning environment.

## Characteristics of the student body

### Student enrolments

Table 1: Student enrolments at this school

Enrolment category	2017	2018	2019
Total	765	768	722
Girls	345	365	340
Boys	420	403	382
Indigenous	54	47	39
Enrolment continuity (Feb. – Nov.)	91%	92%	90%

Notes:

1. Student counts are based on the Census (August) enrolment collection.
2. Indigenous refers to Aboriginal and Torres Strait Islander people of Australia.
3. [pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2019, there were no students enrolled in a pre-Prep program.

### Average class sizes

Table 2: Average class size information for each phase of schooling

Phase of schooling	2017	2018	2019
Prep – Year 3	25	22	20
Year 4 – Year 6	26	27	21
Year 7 – Year 10	22	24	21
Year 11 – Year 12	18	16	13

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

## Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

### Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

### How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

## Social climate

### Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

## Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

## Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community. Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

## School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	194	150	127
Long suspensions – 11 to 20 days	6	8	18
Exclusions	8	6	14
Cancellations of enrolment	6	0	5

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

## Environmental footprint

### Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	93,910	379,645	386,694
Water (kL)	2,914	3,154	

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool\* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

\*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

## School funding

Description	Teaching staff*	Non-teaching staff	Indigenous** staff
Headcounts	79	48	<5
Full-time equivalents	73	33	<5

\*Teaching staff includes School Leaders.

\*\* *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

#### Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

For more information, please refer to the following links

## Professional development

### Teacher participation in professional development

Queensland state schools undertake 5 staff professional development days (25 hours) throughout the year:

- 2 days at the end of the summer holidays (fixed)
- 2 days during the Easter holidays (flexible)
- 1 day in the third last week of Term 3 (fixed) on the student free day.

Year 12 Indigenous student enrolment as a percentage of the Year 10 Indigenous student cohort	117%	60%	100%

Notes:

1. The apparent retention rate for Year 10 to Year 12 = the number of full time students in Year 12 expressed as the percentage of those students who were in Year 10 two years previously (this may be greater than 100%).
2. *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

## Student destinations

The Queensland Department of Education conducts [annual surveys](#) that capture information about the journey of early school leavers and Year 12 leavers from school to further study and employment.

### Early school leavers

The destinations of young people who left this school in Year 10, 11 or before completing Year 12 are described below.

Schools work closely with a range of external agencies to support students who left school early.

Our Principal, Deputy Principal, Regional Transitions Officer or Guidance Officer liaises with early school leavers and their parents, providing a service 'beyond the school gate' to assist early leavers make a successful transition to other educational pursuits or employment.

### Next Step — Post-school destinations

The results of the 2020 Next Step post-school destinations survey, *Next Step – Post-School Destinations* report (information about students who completed Year 12 in 2019), will be uploaded to this school's website in September 2020.

To maintain privacy and confidentiality of individuals, schools with fewer than five responses will not have a report available.

This school's report will be available at <https://whiteshillsc.eq.edu.au>.
