

18 January 2022

Dear Parents and caregivers

Unfortunately the delivery of our stock has been affected by the current widespread supply chain disruptions.

Due to this and Education Queensland's decision to delay the first day of school until the 7th of February, we've had no choice but to reschedule all appointments. I must ask that if your students are returning to school on the 24th January that you rebook into either the 18th, 19 or 21st January. If your student is not returning till the 7th February please book in on the 24th - 28th January.

The link to the bookings are below:

I have spoken to Andrew and he has advised that any students who are on site prior to the 7<sup>th</sup> February and are yet to receive their 2022 order will be permitted to wear free dress (in adherence with the college's usual free dress rules).

Apologies for any inconvenience.

Kind regards

Letishia
