

2021 and 2022 Enrolment Update

Monday 13 May 2020

Dear Parents and Carers

We are currently accepting enrolments for both 2021 and 2022. As Principal of Whites Hill State College, it is my pleasure to write to you to invite you to visit our college.

Due to the current COVID-19 pandemic I am conducting individual school tours and meetings with families to help them make an informed choice regarding which school is most suited for their child. As the college principal I value developing a connection with all of my students and their families and aim to support and extend all students as individuals.

In addition, whilst at this stage we still have set 2020 Open Day dates on Tuesday 9 June and Tuesday 1 September, we are also planning alternative ways to showcase our college in the event that current social distancing restrictions are still in place. The first of these will be our online Virtual Open Week that will showcase our college and will provide the opportunity to meet staff, view facilities, watch performances and more. Please refer to the how to guide below regarding how to register for this event.

I encourage you to join our Facebook Page, regularly check updates on our website and email our administration team to be added to our 2020 Open Day email list. I have added these details below and they will keep you informed on date changes and the virtual showcase events.

I feel very privileged to be a part of the Whites Hill State College community where parents, staff and students care for each other and strive to build authentic relationships. I invite you to get in contact with me to further discuss the opportunities the college provides. Please feel free to contact me at principal@whiteshillsc@eq.edu.au with any questions that you may have.

I look forward to sharing our great College with you.

Sincerely

Andrew Beattie
