

Dear Parent / Carers,

From 2023, Whites Hill State College is excited to be commencing the implementation of a program that aims to duplicate the program that has been successful at Tingalpa State School as well as establishing a viable Secondary pathway. This program is currently being developed in partnership with Tingalpa State School and AEFÉ.

In 2015, Tingalpa State School implemented a French-Australian Bilingual program. This program had the support of Department of Education and Training and the French Ministry of Education via the French Embassy in Canberra. In 2017 the program received accreditation with AEFÉ (Agency for French Education Abroad) and is currently the only school in Queensland to achieve any form of AEFÉ accreditation and to implement a harmonised French and Australian Curriculum (80% French and 20% English).

2023 will see the introduction of a French Bilingual Program at the college in Prep and Year 1 and expressions of interest taken for Year 7 with other year levels to be added from 2024.

Students entering the Prep and Year 1 cohorts do not require any previous French, however students applying for the Year 7 program must either be currently enrolled in a French program or pass a French proficiency exam.

FRENCH BILINGUAL PROGRAM WAITING LISTS

If you would like to register your interest in our 2023 year please click on the following the link [2023 Enrolment Expression of Interest](#)

Enter your child's details and your contact details into the form. Your responses will be added to the waiting list and will be ordered based on the time stamp of when the form was submitted.

Check your mobile number and email address carefully. If we are unable to contact you we are unable to offer you a position in the French Bilingual Program. To register interest for other year levels please contact Pru Dickey on pcdic0@eq.edu.au or 3900 8333.

Kind Regards

Andrew Beattie
College Principal
