LET'S BUST SOME MYTHS:

MYTH

Joining the committee is just for mums.

Our P&C welcomes everybody. Come along to one of our meetings to see what happens at our school.

MYTH

I work full-time so I can't help out at school events.

Any offer of help - no matter how big or small - is appreciated. Many of our events are held on weekends or evenings. Being involved in school events is a great way to maintain links to the school.

MYTH

The committee is full of friends who all know each other.

Our membership is constantly changing as students graduate and families move. We have new members joining all the time. You are always welcome to join with a friend.

MYTH

I don't have any ideas so I can't really contribute.

We are always in need of people who bring new ideas with them - we are also always in need of people who are happy to help bring these ideas to life. Everybody is welcome.

MYTH

If I join I will be constantly asked to help at every event.

You can choose to help out at one event, all events or no events. We respect your choices.

MYTH

There are already lots of volunteers and P&C members.

We are currently in the process of finding a new P&C executive. We appreciate all the help we can get.

Come along to one of our meetings held on the last Wednesday of every month at 6.30pm in the AALC; or you can email us at pandc@whiteshillsc.eq.edu.au for more information.
