

Dear Parent/Caregiver,

Student Resource Scheme – Annual Parent Information Letter

This letter contains important information about the 2026 Student Resource Scheme (SRS) including how the scheme operates and the annual participation fee.

What is provided by the Queensland Government?

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Parents/ carers are directly first day school for the supply of these items.

Whites Hill State College SRS

To provide parents with a convenient and cost effective alternative to purchasing textbooks and other educational resources necessary to enhance student learning experience at school, Whites Hill State College operates an SRS.

The Department encourages parents to participate in the scheme. Participation is for the duration of your child's enrolment at the school, unless otherwise informed. The scheme provides outstanding value for money as the college can purchase resources at lower rates due to its bulk buying power. Resources that will be used over a period of time are hired to students to further reduce costs for families. Participating in the SRS also ensures that all students have access to the same standard of resources.

The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association at the meeting held on 27 August 2025.

The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

Generally, the three types of resources that could be included are:

- **Owned** – these items are retained by the student and used as required (e.g. student diary, online logins).
- **Used** – these items are used/consumed in class by the student (e.g. industry technology/cooking/art supplies). Work/items produced from these resources will remain the property of the student.
- **Hired** – these items are hired to the student for their personal use for a specific period of time (e.g. textbooks, musical instruments, equipment).
 - Hired items must be returned to the school in good condition at the end of the hire period or if the student leaves the school.
 - A repair or replacement cost may be charged to the parent for any hired items that are damaged or not returned.

Resource Inclusions

All resources included in the SRS are detailed in the attached SRS Resource list. This is a comprehensive list of all resources included in the scheme and their associated costs.

Resources will be released once the full or first payment of an ongoing payment plan has been paid to the school.

Items not covered by the scheme

The SRS does not cover students personal stationery (please see appropriate year level booklist) or uniforms. Other items not included are external charges for example, bus hire and admission costs of excursions, camp fees, guest speakers, Certificate course fees from external providers, TAFE fees, instrument hire.

The SRS Participation Fee

The 2026 annual Student Resource Scheme participation fees are as follows:

- Prep to Year 6 – \$160
- Year 7 to Year 9 – \$310
- Year 10 to Year 12 – \$360

For secondary students this also includes the Textbook and Resource Allowance (TRA) component which has been applied to reduce the SRS fee payable by the parent.

The Department of Education provides a TRA to assist parents with the cost of textbooks and other education resources for eligible Years 7 to 12 students. The TRA is provided to the school and applied to the SRS to reduce the cost of participation. Current TRA amount is \$160 for years 7-10, and \$348 for years 11 & 12. Information on the TRA can be found on the department's website (<https://education.qld.gov.au/about-us/budgets-funding-grants/grants/parents-and-students/textbook-resource-allowance>).

Should a family choose not to participate in the SRS, the parent/carer is responsible for purchasing and providing those resources for their child whilst they are a student at Whites Hill State College.

Payment policy / non-payment of fees

The school operates the Student Resource Scheme to benefit all eligible students. It is not viable for the school to provide this service if fees are outstanding.

Any unpaid invoices, will be managed according to the department's Debt Management Procedure and may result in the student being excluded from the scheme and/or from participating in extra-curricular activities until payments are made.

To be eligible to participate in extra-curricular activities, students accounts must be up to date. A parent who has joined the scheme is expected to have:

- Fully paid the SRS participation fee or
- Paid the SRS participation fee up to & including the term in which the school activity takes place or
- Made regular ongoing payments towards the SRS participation fee as part of a payment plan with the intention of the full fee being finalised by the end of the school year.
