During 2018, we focused on maximising the benefits of this funding for our students.

After reviewing our 2018 *Investing for Success* agreement, it is clear that we are on track to meet and exceed our targeted student outcomes in:

- Years 7-12 95% A-C English Level of Achievements
- Year 7 NAPLAN Reading 97.2% NMS.

We have made progress toward our targeted student outcomes in:

- P-6 English Level of Achievements increased by 10%
- Year 5 NAPLAN Reading USB increase by 7% and NMS improved by 6%.

We will continue to focus on maximising the benefits of this funding for all of our students, and adjust our initiatives as needed to ensure every student succeeds.

Our initiatives implemented include:

- Instructional coaches for classroom teachers P – 6 and Yr 7 – 12
- Reading intervention program Yr 4 – 9 using an evidence-based program (MacqLit)
- Early Years Reading Mentor providing timely and targeted reading intervention from P-3
- Collaborative inquiry through Communities of Practice for all teachers; evidence-based teaching practices; data walls to monitor and track student improvement (P-12)
- 1:1 feedback and reading goal setting conversations for all students Yr 4-10
