CEO Message

TAFE Queensland has a 140 year history of serving Queensland's communities as the largest, most experienced Vocational Education and Training (VET) provider in the state. Our training is delivered to over 109,000 students each year at more than 50 locations across Queensland, and we offer more than 500 practical, industry-relevant courses ranging from entry-level certificates to bachelor degrees.

Specifically designed to help you get more out of high school, TAFE Queensland also offers a range of courses as part of our TAFE at School program. The TAFE at School program is for students in Years 10, 11 or 12 who want to undertake VET study with TAFE Queensland as part of their high school curriculum. Delivery of the TAFE at School program may be undertaken at a TAFE Queensland location, in selected schools or in the workplace as a school-based apprentice/trainee.

The great thing about these courses is that they fit around your existing studies. Completing a qualification through our TAFE at School program also gives you direct entry into most of our courses at TAFE Queensland, access to a variety of university pathways by contributing to your ATAR*, and multiple ways to get started on your career or trade qualification.

This guide features a range of information about the TAFE at School program, from courses to university pathways and intakes to payment options, as well as information tailored for your parents and schools. For further information you can also visit our website at tafeqld.edu.au/schoolstudents, call **1300 308 233**, or visit your local campus to speak to our friendly customer service team.

I encourage you to speak to your teachers, VET Coordinator and/or Guidance Counsellor, friends and family about your future. You define your greatness, and TAFE Queensland has an option and pathway that is right for you in 2023 and beyond.

Warm regards,

Mary Campbell
Chief Executive Officer (CEO)
TAFE Queensland

*Certificate III or higher level qualifications may contribute to your ATAR

Get more out of high school with TAFE at School

If you're a Year 10*, 11 or 12 student you may be able to complete a TAFE Queensland qualification while you're still at school.

Choose from a variety of certificate I to diploma courses from a range of study areas from construction to community services, hospitality to health care and everything in between.

HOW TO APPLY

To submit an application for a TAFE at School course, visit **www.tafeapply.com**

You'll need the application code for the course in the location you want to apply for. These can be found at the back of this guide. You will also need your Learner Unique Identifier (LUI) and Unique Student Identifier (USI) numbers. If you don't have a USI yet, head to **www.usi.gov.au** to get one.

* Not all programs are available to year 10 students.

Why study at TAFE Queensland

TAFE Queensland is the largest, most experienced training provider in the state. It's a big statement, but one that's backed up by research and our impressive track record.

About TAFE at School

BENEFITS OF TAFE AT SCHOOL

- Fits around your senior studies
- Get valuable Queensland Certificate of Education (QCE) credits*
- May contribute to your Australian Tertiary Admissions Rank (ATAR)*
- Open up a variety of university pathways
- Gain credits towards an apprenticeship, diploma or university studies
- Build practical skills in an adult learning environment
- Get work ready

FLEXIBLE STUDY OPTIONS

TAFE Queensland offers flexible study options so you can gain a VET qualification while you're still at school in a way that best suits you.

ON CAMPUS

TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-standard workspaces and classrooms. All training is delivered in an adult learning environment, so you'll get a taste of what it's like to study in a higher education setting. You'll also learn from our highly-qualified teachers and benefit from their vast experience.

AT SCHOOL

Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training, so they are qualified to deliver TAFE Queensland courses. Alternatively, we have TAFE Queensland teachers available to deliver those same qualifications at school. Even if you undertake your training at school, you will still receive a TAFE Queensland qualification when you complete your course.

INDUSTRY EXPERIENCE

Some TAFE at School courses require you to complete work placements or, in some instances, to work in the industry. This gives you the opportunity to build your skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to the commencement of study.

TRADE TASTER

Year 10 school students have access to a Trade Taster program which is funded by the Queensland Government. This is unique to TAFE Queensland and offered at no cost. The program allows students to experience the trades industry by studying one unit of competency from different trade areas.

SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP

TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you're still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

After selecting the industry you are interested in and talking with your school and parents/guardians, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us.

School-based apprentices and trainees do not pay fees for training at TAFE Queensland, this is funded by the Queensland Government; however, you may need to pay some costs for tools and compulsory personal protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing Year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships, call **1800 210 210** or visit **training.qld.gov.au/apprenticeshipsinfo**

TAFE at School enrolments are subject to eligibility requirements. Talk to your VET Coordinator or Guidance Counsellor, or visit our website for more information.

* Eligibility conditions apply.

Important information

TERM DATES 2023

TAFE Queensland term dates align with Queensland school terms to fit with your senior studies.

QUEENSLAND SCHOOLS			TAFE QUEENSLAND		
TERM 1	START	Monday 23 January	START	Monday 30 January	
	FINISH	Friday 31 March	FINISH	Friday 31 March	
TERM 2	START	Monday 17 April	START	Monday 17 April	
	FINISH	Friday 23 June	FINISH	Friday 23 June	
TERM 3	START	Monday 10 July	START	Monday 10 July	
	FINISH	Friday 15 September	FINISH	Friday 15 September	
TERM 4	START	Tuesday 3 October	START	Tuesday 3 October	
	FINISH	Friday 8 December	FINISH	Friday 27 October	

Many TAFE at School courses have intakes in Semester 1 and/or Semester 2, so you can choose to start studying at a time that suits you.

By choosing to start your first course in Year 10 in Semester 2, you can often complete two courses by the time you have six months left of school. This frees you up to concentrate on your studies for the rest of Year 12, so you can nail your final assignments and exams. Bonus: you're ready to hit the ground running in finding a job to earn money, support a gap year or university studies, and kick-start your career.

STUDENT SUPPORT

Everyone's journey is different, and sometimes you need some extra support to achieve your study goals. We're here to help. At TAFE Queensland our student support services are available for all of our students, making your learning experience just that little bit easier.

Learn more at tafeqld.edu.au/studentsupport

If you are a TAFE at School student, your regular school support programs are also responsible for ensuring you receive appropriate levels of support while at TAFE Queensland. It is expected that if your school normally provides you with a participation assistant or similar for day-to-day learning or personal support, then they also provide this support when you attend your TAFE at School course.

COST AND PAYMENT OPTIONS

Costs vary for each course and you can check our website for the most up-to-date prices. You may be eligible for a range of fee-free TAFE at School courses, covered under VET in Schools (VETiS) funding, which is funded by the Queensland Government. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past.

For further information, please refer to desbt.qld.gov.au
Eligible students are entitled to one VETiS funded program only.

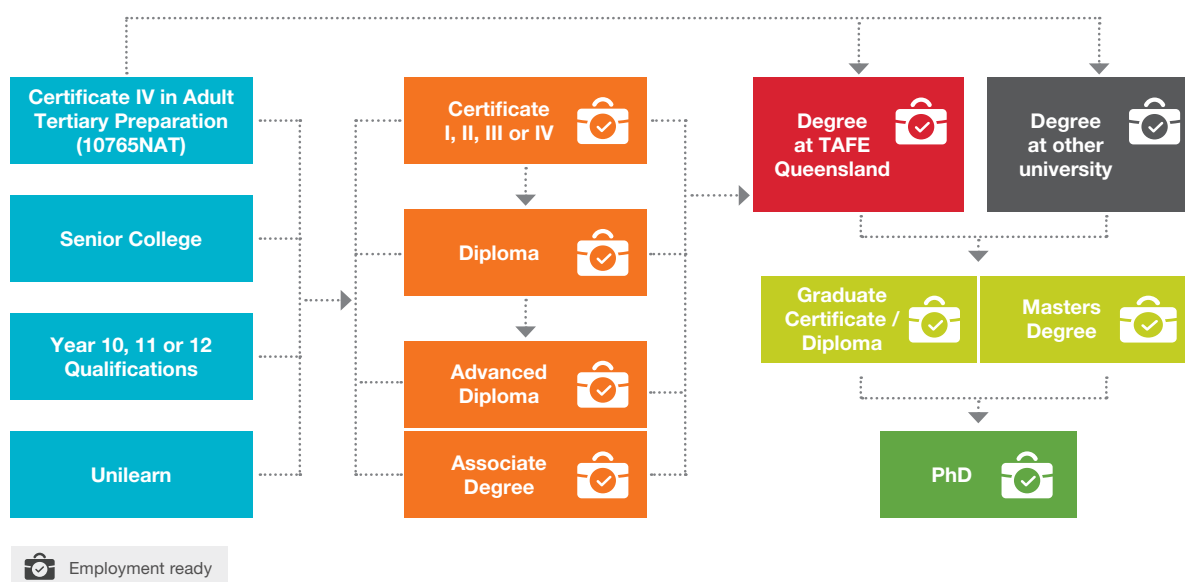

Payment plans may also be available to assist with the payment of your course; however, if you're under 18 you will need a guarantor. Applications will be subject to credit checks.

For information about our withdrawal and refund policy, please visit tafeqld.edu.au/policies

Pathways to your future

There are plenty of ways to land your dream career, so give yourself a head start and fast track your studies with a TAFE at School course.

Once you complete your TAFE at School course, you may be eligible for direct entry into any related TAFE Queensland diploma. When you complete your diploma, our partnerships with local universities can help guarantee you a place in a bachelor degree.

OUR PARTNER UNIVERSITIES AND HIGHER EDUCATION PROVIDERS

There's more than one way to get into your dream university degree. TAFE Queensland has a range of pathway options and partners that can get you started on your university degree sooner.

Post-school options

BECOME AN APPRENTICE OR TRAINEE

Learn hands-on with the same equipment and tools used in industry, combining working for an employer and studying at TAFE Queensland, and graduate with a nationally-recognised qualification.

Applying for an apprenticeship or traineeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees. Studying a TAFE at School pre-apprenticeship course can boost your chances of landing your dream job by demonstrating to a potential employer that you're actively interested in their industry.

The first step is to visit an Apprenticeship Network Provider (ANP) to help connect you with an employer. Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract directly with TAFE Queensland.

For more information visit tafeqld.edu.au/apprentices

APPLY FOR A TAFE QUEENSLAND CERTIFICATE OR DIPLOMA

After successfully completing a TAFE at School course/s you may be eligible for direct entry into any related TAFE Queensland diploma.

It's as simple as getting in contact with us and letting us know which course you want to study.

Check out our website to see our full range of courses, from certificates through to diplomas and degrees at tafeqld.edu.au/courses

GET READY FOR UNIVERSITY

If you need to complete additional prerequisites for university during or after high school, Unilearn is the perfect option. You can study a range of subjects from mathematics and science to senior English.

With the ability to study online and after hours, you can easily add a Unilearn subject or two to your senior schooling years. Unilearn subjects can also provide additional Queensland Certificate of Education (QCE) credit points.

For more information visit unilearn.net.au

Alternatively, if you want to increase your tertiary admissions rank, our Adult Tertiary Preparation (ATP) course can help you achieve your goals.

For more information visit tafeqld.edu.au/atp

GO TO UNIVERSITY

There's more than one way to get into your dream university course. Successfully completing a diploma at TAFE Queensland can help secure you a place in a bachelor degree through our partnerships with local universities.

In many cases, you will receive one year of credit into your university degree, meaning you can achieve a diploma and a bachelor degree in the same amount of time it usually takes to complete a degree on its own.

Many of our diploma courses have formal articulation arrangements with some of Australia's top universities. This means your university may also give you credit for your study at TAFE Queensland, shaving time off your degree.

For more information visit tafeqld.edu.au/pathways

YOU DEFINE YOUR GREATNESS

TAFE Queensland has joined forces with Airwork Aviation to deliver a range of aviation courses so you can earn your commercial pilots licence.

Information for parents

It's tough being a teenager in their final years of school, trying to decide what to do with the rest of their lives. The pressure's on as early as Year 10 and it feels like results and choices will make or break their future.

It can be tough for parents too. Knowing when to intervene or when to take a step back seems impossible at times. But your behind-the-scenes role is crucial to their success.

ABOUT VOCATIONAL EDUCATION AND TRAINING

University is not for everyone. Vocational training is not for everyone. Education *is* for everyone.

Most careers need some form of education and training. But they don't all require a university degree. There are a variety of reasons your child or students should consider vocational education and training (VET). Perhaps they want to enter a trade, test out an industry, gain Queensland Certificate of Education (QCE) credits, or maybe they just need to improve or contribute towards their Australian Tertiary Admission Rank (ATAR).

BUSTING VET MYTHS

The 2017 *Perceptions are Not Reality* report from Skills Australia debunked some of the most common misconceptions about vocational education and training in Australia.

MYTH: Almost 30 per cent of Australians believe that university graduates find work more easily than VET graduates.

FACT: VET graduates have a higher employment rate than university graduates. The average employment rate of a VET graduate is 78 per cent (it's 69 per cent for university graduates).

MYTH: One in five Australians believe that VET graduates earn less than university graduates.

FACT: The average VET graduate actually earns similar wages to, if not more than, an average university graduate.

MYTH: Three in five Australians believe we need university education more than VET to thrive in a globally competitive world. Almost half of those people think VET is no longer as relevant as university education.

FACT: VET aims to provide the skills we need to keep up with our quickly changing employment and industry trends. Additionally, VET provides courses for nine out of 10 occupations predicted to have the greatest growth of new jobs over the next five years.

WHY TAFE QUEENSLAND

Not everyone learns in the same way or at the same pace. At TAFE Queensland, there are as many options as there are individuals, with pathway options to suit your child's needs and help them kick start their career.

For more information visit tafeqld.edu.au/parents

Information for schools

Designed to deliver practical, workplace-specific skills and knowledge, VET covers a wide range of careers and industries. If you find that your students struggle in a traditional classroom, or if they're tactile learners, VET may be where they will really shine.

HOW TAFE QUEENSLAND CAN HELP

With more than 500 nationally-recognised qualifications from entry-level certificates to bachelor degrees, studying at TAFE Queensland gives your students access to multiple pathways to get a head start on their careers.

They will learn in industry-standard facilities, have access to a range of student support services, be able to take advantage of a wide range of university pathway options, and so much more.

For more information visit tafeqld.edu.au/advisors

PARTNERSHIP WITH SCHOOLS PROGRAM

TAFE Queensland's Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland qualification on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact your local TAFE at School team.

TRAINING FOR SCHOOL TEACHERS

TAFE Queensland offers low-cost training for school teachers with relevant industry experience so they can deliver VET programs at their school.

Teachers can train in certificate I and II courses relevant to the delivery of TAFE at School courses, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing industry-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

IVET ONLINE PORTAL

TAFE Queensland has partnered with IVET to deliver greater timetable and delivery flexibility for teachers. IVET provides an online portal that enables teachers to have instant access to student progress, course information, digital resources, classroom management, PD logging, compliance, teacher qualification management, and more.

IVET currently facilitates a selection of TAFE at School courses across a range of study areas, and more will be added as development continues.

TEACHER AIDE TRAINING

TAFE Queensland also provides nationally-recognised training for teacher aides. Our strong relationships with schools means we can provide opportunities for your staff to gain knowledge and skills across a wide variety of workplace settings.

For more information visit tafeqld.edu.au/education-support or contact us today.

CONTACT US

For more information please contact your local TAFE at School team on **1300 308 233**.

Study areas

Studying at TAFE Queensland gives you access to multiple pathways to kick start your career, even while you're still at school. Whether you dream of a career in fashion or fitness, automotive or animal care, early childhood or engineering, we have a course that's right for you.

This qualification will provide you with entry-level skills in the telecommunications industry, including installation and testing of internet protocol devices in convergence networks, software applications, home or small office networks.

CERTIFICATE II IN TELECOMMUNICATIONS TECHNOLOGY

COURSE CODE: ICT20319

NETWORKING

✓ VETiS FUNDED*

CORE UNITS

ICTTEN208	Use electrical skills when working with telecommunications networks
ICTTEN211	Work effectively in a telecommunications network environment
ICTTEN202	Use hand and power tools
ICTTEN207	Install and test internet protocol devices in convergence networks
ICTWHS204	Follow work health and safety and environmental policy and procedures
ICTWOR202	Work effectively in the digital and telecommunications industry
BSBCUS201	Deliver a service to customers

ELECTIVE UNITS

ICTICT223	Install software applications
ICTSAS218	Obtain and connect hardware peripherals
ICTTEN203	Install and configure a home or small office network
ICTTEN204	Install and configure a small to medium business network
ICTTEN205	Build and maintain a secure network
ICTTEN206	Operate new media software packages

PATHWAY OPTIONS

Certificate II in Telecommunications Technology (Networking)
ICT20319

Certificate III in Information Technology
ICT30120

Diploma of Information Technology - Advanced Networking and Cloud Engineering
ICT50220

CAREER OUTCOMES

Telecommunications rigger, installer (radio base stations), digital network operator, cabler

Help desk officer, network support officer, ICT technician

Cloud architect, cloud engineer, cyber security administrator, network engineer

UNIVERSITY PATHWAYS

Bachelor of Information Technology – Queensland University of Technology
Bachelor of Information Technology – Griffith University
Bachelor of Information Technology – University of Southern Queensland
Bachelor of Information and Communications Technology – USC

*No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis

CERTIFICATE III IN INFORMATION TECHNOLOGY

COURSE CODE: ICT30120

FOUNDATION STREAM

CORE UNITS

BSBCRT301	Develop and extend critical and creative thinking skills
ICTICT313	Identify IP, ethics and privacy policies in ICT environments
ICTSAS305	Provide ICT advice to clients
ICTPRG302	Apply introductory programming techniques
BSBXTW301	Work in a team
BSBXCS303	Securely manage personally identifiable information and workplace information

ELECTIVE UNITS

ICTWEB304	Build simple web pages
ICTWEB305	Produce digital images for the web
ICTWEB431	Create and style simple markup language documents
ICTNWK311	Install and test network protocols
ICTSAS310	Install, configure and secure a small office or home office network
ICTCLD301	Evaluate characteristics of cloud computing solutions and services

PATHWAY OPTIONS

Certificate III in Information Technology
ICT30120

Diploma of Information Technology -
Advanced Networking
and Cloud Engineering
ICT50220

Diploma of Information Technology -
Advanced Programming
ICT50220

Diploma of Information Technology
- Back End Web Development
and Front End Web Development

A photograph of three young adults, two women and one man, sitting on a grassy lawn outdoors. They are all wearing dark blue TAFE Queensland polo shirts. The woman in the center is smiling and holding a small, fluffy, light-brown puppy. The woman on the right is also smiling and holding a small, dark-colored puppy. The man on the left is looking down at something in his hands. The background is a lush green lawn with trees and a building in the distance. The text 'YOU DEFINE YOUR GREATNESS' is overlaid in large, bold, white letters.

QCE CREDITS

4 credits

This course provides a pathway to work back of house in organisations such as restaurants, hotels, catering operations, clubs, pubs, cafes, coffee shops and institutions such as aged care facilities, hospitals and schools.

CERTIFICATE II IN KITCHEN OPERATIONS

COURSE CODE: SIT20416

✓ VETiS FUNDED*

CORE UNITS

BSBWOR203	Work effectively with others
SITHCCC001	Use food preparation equipment
SITHCCC005	Prepare dishes using basic methods of cookery
SITHCCC011	Use cookery skills effectively
SITHKOP001	Clean kitchen premises and equipment
SITXFSA001	Use hygienic practices for food safety
SITXINV002	Maintain the quality of perishable items
SITXWHS001	Participate in safe work practices

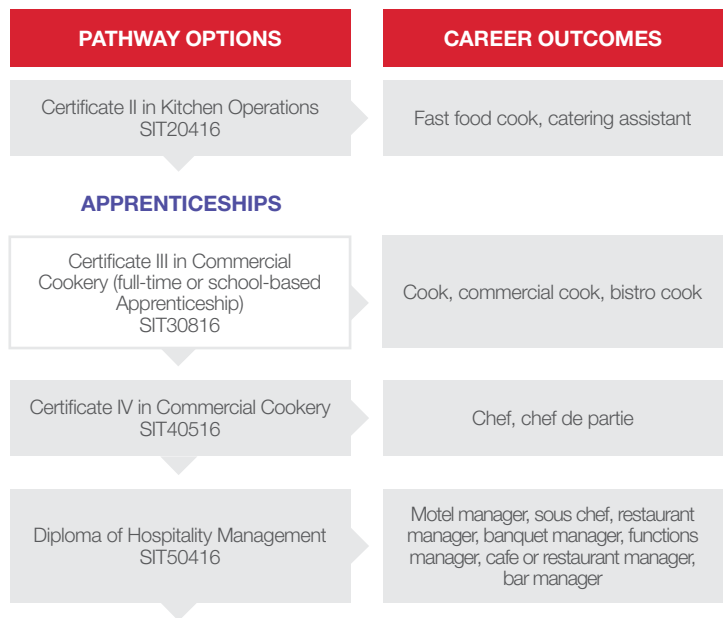

ELECTIVE UNITS

BSBSUS201	Participate in environmentally sustainable work practices (South Bank campus only)
SITXCOM002	Show social and cultural sensitivity (South Bank only)
SITXFSA002	Participate in safe food handling practices
SITHCCC002	Prepare and present simple dishes
SITHCCC003	Prepare and present sandwiches
SITHCCC006	Prepare appetisers and salads (Ipswich only)
SITHIND002	Source and use information on the hospitality industry (Ipswich only)

*Students at the South Bank campus will undertake units that differ from the Ipswich campus - these units are listed in brackets above. Students need to undertake five electives.

*Please note that uniforms are a requirement of this course and fees will apply.

*In order to determine a student's suitability and success in this course an application interview will be required (South Bank only).

UNIVERSITY PATHWAYS

Bachelor of International Tourism and Hotel Management – Griffith University
Bachelor of Business – William Blue College of Hospitality and Management
Bachelor of Business – USC
Bachelor of Tourism and Hospitality Management – Southern Cross University

*No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis

TRADES

Automotive | Building and construction | Electrotechnology | Engineering

CERTIFICATE II IN AUTOMOTIVE ELECTRICAL TECHNOLOGY

COURSE CODE: AUR20420

UPGRADE

VETiS FUNDED*

CORE UNITS

AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURASA102	Follow safe working practices in an automotive workplace
AURETK002	Use and maintain electrical test equipment in an automotive workplace
AURETR006	Solder electrical wiring and circuits
AURETR007	Apply knowledge of automotive electrical circuits and wiring systems
AURETR008	Remove and replace electrical units and assemblies
AURETR009	Install vehicle lighting and wiring systems
AURETR011	Install basic ancillary electrical systems and components
AURETR112	Test and repair basic electrical circuits
AURETR115	Inspect, test and service batteries

ELECTIVE UNITS

AURTTK102	Use and maintain tools and equipment in an automotive workplace
AURTTK001	Use and maintain measuring equipment in an automotive workplace
AURETR116	Read and apply vehicle wiring schematics and drawings
AURETR014	Inspect, test and service starting systems
AURETR013	Inspect, test and service charging systems
AURAF103	Communicate effectively in an automotive workplace

PATHWAY OPTIONS

Certificate II in Automotive Electrical Technology
AUR20420

(May be completed as a TAFE at School program or traineeship)

APPRENTICESHIPS

Certificate III in Automotive Diesel Engine Technology
AUR31520

Certificate III in Automotive Electrical Technology
AUR30316

Certificate III in Automotive Engine Reconditioning
AUR31316

Certificate III in Automotive Manufacturing Technical Operations – Bus, Truck and Trailer
AUM30218

Certificate III in Heavy Commercial Vehicle Mechanical Technology
AUR31120

Certificate III in Light Vehicle Mechanical Technology
AUR30616

CAREER OUTCOMES

Automotive electrical trainee/assistant
accessory fitter, automotive electrical
component installer

Automotive electrician, automotive
air-conditioning fitter, automotive
electrical fitter, automotive
manufacturing technician,
automotive mechanic, automotive
parts interpreter, diesel fitter,
vehicle body builder

CAMPUS

Ipswich

DURATION

4 terms

STUDY MODE

Face-to-face

WORKLOAD

1 day per week

YEAR LEVEL

11, 12 (Ipswich)

QCE CREDITS

Up to 2 credits

Students must successfully complete to AUR20720 prior to commencing AUR20420.

Learn the skills to perform a range of tasks related to the service and repair of electrical and mechanical systems in light or heavy vehicles. Gain hands-on experience in the servicing of engines, building and soldering electric circuits, installing electrical accessories and performing other electrical and mechanical tasks.

This course will equip you with skills to enter an apprenticeship in either automotive mechanical or automotive electrical.

*No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis

**CAMPUS**

Acacia Ridge (Light Vehicle),
Bracken Ridge
(Light and Heavy Vehicle),
Ipswich (Light Vehicle)

DURATION

4 terms

11 & 12 (All locations)

QCE CREDITS

4 credits

Increase your prospects for a career in the plumbing industry with this pre-apprenticeship. With a strong focus on safe plumbing practices, you will learn how to operate hand and power tools, read plans and perform basic welding and plumbing installation techniques. You will also receive training for your General Safety Induction (White Card), which is an industry requirement to work on a construction site in Australia.

Students will be required to do a compulsory 80 hours of Vocational Placement during school holidays.

CERTIFICATE II IN PLUMBING SERVICES

COURSE CODE: 11054NAT

✓ VETiS FUNDED*

CORE UNITS

CPCCOM1012	Work effectively and sustainably in the construction industry
CPCCOM1013	Plan and organise work
CPCCCM2008	Erect and dismantle restricted height scaffolding
CPCCCM2012	Work safely at heights
CPCCWHS1001	Prepare to work safely in the construction industry
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry
CPCPCM2039	Carry out interactive workplace communication
CPCPCM2041	Work effectively in the plumbing services sector
CPCPCM2043	Carry out WHS requirements
CPCPCM2045	Handle and store plumbing materials
CPCPCM2046	Use plumbing hand and power tools
CPCPCM2047	Carry out levelling
CPCPCM2048	Cut and join sheet metal
CPCPCM2055	Work safely on roofs
CPCPCM2054	Carry out simple concreting and rendering
CPCCOM1015	Carry out measurements and calculations
CPCPCM2049	Cut using oxy-acetylene equipment
CPCPCM2052	Weld mild steel using oxy-acetylene equipment
VPC80	80 hours of Vocational Placement

PATHWAY OPTIONS

Certificate II in Plumbing Services
11054NAT

APPRENTICESHIPS

Certificate III in Plumbing CPC32413
Certificate III in Roof Plumbing
CPC32620

WORKLOAD

1 day per week

YEAR LEVEL

11, 12

QCE CREDITS

4 credits

Learn how to safely solve problems in extra-low voltage DC circuits, identify and select materials for work activities, use equipment/plant/technologies, and dismantle, assemble and fabricate electrotechnology components.

This course covers a General Safety Induction course (White Card) – an industry requirement to work on Queensland construction sites, a CPR certificate, and all units needed for Stage 1A of an electrical apprenticeship. It is recommended that students undertake a minimum of General Mathematics.

Please note: Subject to Training Package review and TAFE Queensland Registration in 2022.

*No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis

CERTIFICATE II IN ELECTROTECHNOLOGY

COURSE CODE: UEE22011

CAREER START

✓ VETiS FUNDED*

CORE UNITS

UEENEEK142A	Apply environmentally and sustainable procedures in the energy sector
UEENEEE179A	Identify and select components, accessories and materials for energy sector work activities
UEENEEE148A	Carry out routine work activities in an energy sector environment
UEENEEE141A	Use of routine equipment/plant/technologies in an energy sector environment
UEENEEE104A	Solve problems in d.c. circuits
UEENEEE101A	Apply Occupational Health and Safety regulations, codes and practices in the workplace

ELECTIVE UNITS

CPCCOHS1001A	Work safely in the construction industry
HLTAID001	Provide cardiopulmonary resuscitation
UEENEEC010B	Deliver a service to customers
UEENEEH102A	Repairs basic electronic apparatus faults by replacement of components
UEENEEE020B	Provide basic instruction in the use of electrotechnology apparatus
UEENEEE102A	Fabricate, assemble and dismantle utilities industry components
UEENEEE105A	Fix and secure electrotechnology equipment
UEENEEED101A	Use computer applications relevant to a workplace
UEENEEE142A	Produce products for carrying out energy sector work activities (Ipswich only)

*Electives may vary between locations. Students need to complete 8 elective units from the list above.

Electrical UEE42611
Certificate IV in Industrial Automation
and Control UEE43220
Certificate IV in Electrical –
Instrumentation UEE40411

Electrical fitter, electrician – special
class, installation technician,
industrial automation and control
technician, electrical
instrumentation tradesperson

Diploma of Electronics and
Communications Engineering
UEE42611
Diploma of Instrumentation and
Control Engineering UEE51020
Diploma of Air Conditioning and
Refrigeration Engineering UEE51220

Technical officer specialising
in electrical, engineering,
instrumentation and control,
electronics and communications, or
refrigeration and air-conditioning

Advanced Diploma of Electrical –
Engineering UEE62211
Advanced Diploma of Engineering
Technology - Electrical UEE62120
Advanced Diploma of Electronics
and Communications Engineering
UEE60220

Electrical engineer, senior technical
officer specialising in electrical
technology or electronics engineering

CERTIFICATE II IN ENGINEERING PATHWAYS

COURSE CODE: MEM20413

 VETiS FUNDED*

CORE UNITS	
MEM13014A	Apply principles of occupational health and safety in the work environment
MEMPE005A	Develop a career plan for the engineering and manufacturing industry
MEMPE006A	Undertake a basic engineering project
MSAENV272B	Participate in environmentally sustainable work practices
ELECTIVE UNITS	
MSAPCI101	Adapt to work in industry
MEMPE007A	Pull apart and re-assemble engineering mechanisms
MEMPE001A	Use engineering workshop machines
MEM18001C	Use hand tools
MEM18002B	Use power tools/hand held operations
MEMPE002A	Use electric welding machines
MEMPE003A	Use oxy-acetylene and soldering equipment
MEMPE004A	Use fabrication equipment
MSAPMSUP106A	Work in a team
MEM16006A	Organise and communicate information
MEM16008A	Interact with computing technology

*Electives may vary between locations. Students need to complete 8 elective units from the list above.

PATHWAY OPTIONS	CAREER OUTCOMES
Certificate II in Engineering Pathways MEM20413	Trade assistant/worker in mechanical, metal fabrication, machining, or fitting and turning

APPRENTICESHIPS

Certificate III in Engineering – Fabrication Trade MEM30319 Certificate III in Engineering – Mechanical Trade MEM30219 Certificate III in Locksmithing MEM30819 Certificate III in Marine Craft Construction MEM30719	Fitter and turner, metal fabricator, welder, machinist, patternmaker, moulder, locksmith, boat builder
Certificate III in Engineering – Technical (CAD) MEM30505	Entry level draftsman
Certificate IV in Engineering MEM40119 Certificate IV in Engineering Drafting MEM40412	Higher engineering tradesperson, special class tradesperson, draftsman
Diploma of Engineering – Technical MEM50212	Senior draftsman, advanced engineering tradesperson

UNIVERSITY PATHWAYS

Bachelor of Engineering Science – University of Southern Queensland Bachelor of Engineering (Honours) – Queensland University of Technology Bachelor of Engineering (Honours) – Griffith University	Higher engineering tradesperson, special class tradesperson, draftsman
--	--

CAMPUS

Acacia Ridge, Alexandra Hills,
Bracken Ridge,
Ipswich, WestEC

DURATION

4 terms

STUDY MODE

Face-to-face

WORKLOAD

1 day per week

YEAR LEVEL

10 (Ipswich, WestEC)
11, 12 (All locations)

QCE CREDITS

4 credits

Increase your employability in the engineering industry. This course will introduce you to the engineering trade and provide you with basic skills to operate tools and equipment to produce and modify objects. This is a great starting point for anyone who wants to pursue a career in any engineering field.

*No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis

CERTIFICATE III IN ENGINEERING - TECHNICAL

COURSE CODE: MEM30505

COMPUTER AIDED DRAFTING

CORE UNITS

MEM16006A	Organise and communicate information
MEM16008A	Interact with computing technology
MSAENV272B	Participate in environmentally sustainable work practices

ELECTIVE UNITS

MEM12023A	Perform engineering measurements
MEM09002B	Interpret technical drawing
MEM18001C	Use hand tools
MEM09202A	Produce freehand sketches
MEM30031A	Operate computer-aided design (CAD) system to produce basic drawing elements
MEM30032A	Produce basic engineering drawings
MEM30033A	Use computer-aided design (CAD) to create and display 3-D models
MEM12024A	Perform computations (Acacia Ridge only)

**Electives will vary between locations. Students need to undertake 7 electives.*

PATHWAY OPTIONS

Certificate III in Engineering -
Technical (Computer Aided Drafting)
MEM30505

Certificate IV in Engineering
MEM40105
Certificate IV in Engineering Drafting
MEM40412

Diploma of Engineering – Technical
MEM50212

CAREER OUTCOMES

Engineering tradesperson

Higher engineering tradesperson,
special class tradesperson,
draftsperson

Senior draftsperson, advanced
engineering tradesperson

UNIVERSITY PATHWAYS

Associate Degree in Civil Engineering
HED001 – TAFE Queensland
Bachelor of Engineering Science –
University of Southern Queensland
Bachelor of Engineering (Honours) –
Queensland University of Technology
Bachelor of Engineering (Honours) –
Griffith University

CAMPUS

Acacia Ridge, Ipswich

DURATION

4 terms

STUDY MODE

Face-to-face

WORKLOAD

1 day per week

YEAR LEVEL

10 (Ipswich)
11, 12 (All locations)

QCE CREDITS

Up to 5 QCE credits **
dependent on Duplication
of Learning **

ATAR

This program may
contribute to your ATAR
eligibility upon successful
completion of the
certificate III qualification

This school-based program is
designed to give students an
introduction to the manufacturing
and engineering industry.

Students will gain skills and
knowledge in the areas of 2D and
3D detail drawings, AS1100 drawing
standards and bills of material, print
(paper and 3D), plot and email data
and manage CAD (Computer-Aided
Design) symbol libraries.

CERTIFICATE II IN MANUFACTURING TECHNOLOGY

COURSE CODE: MSM20216

 VETiS FUNDED*

CORE UNITS	
MSMENV272	Participate in environmentally sustainable work practices
MSMWHS200	Work safely
MSS402001	Apply competitive systems and practices
MSS402051	Apply quality standards
MSS402080	Undertake root cause analysis
ELECTIVE UNITS	
MSMPCII299	Make an object from plastic
MSMPCII295	Operate manufacturing equipment
MSMPCII298	Make an object from metal
MSS402002	Sustain process improvements
MSMPCII296	Make a small furniture item from timber

PATHWAY OPTIONS	CAREER OUTCOMES
Certificate II in Manufacturing Technology MSM20216	Manufacturing trainee
Certificate III in Engineering Technical (CAD) MEM30505	Entry level drafts person
Certificate IV in Engineering Drafting MEM40412	Drafts person
Diploma of Engineering – Technical MEM50212	Senior drafts person, advanced engineering trades person

UNIVERSITY PATHWAYS
Bachelor of Information and Communications Technology – USC

CAMPUS

Ipswich

DURATION

4 terms

STUDY MODE

Face-to-face

WORKLOAD

1 day per week

YEAR LEVEL

11, 12 (Ipswich)

QCE CREDITS

4 credits

This school-based program is designed to aid students in developing key manufacturing skills, through practical and hands-on work in a manufacturing environment. Students will gain skills working with a variety of materials including plastic, metal and timber.

TRADES | ENGINEERING AND DESIGN

*No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis

A man in a black shirt is assisting an older woman in a swimming pool. The woman is lying on her back, and the man is supporting her from behind. The water is a vibrant blue, and the pool tiles are visible at the bottom. The overall scene conveys a sense of care and achievement.

YOU DEFINE YOUR GREATNESS

**MAKE
GREAT
HAPPEN**

✓ USER CHOICE FUNDED

SCHOOL-BASED APPRENTICESHIPS AND TRAINEESHIPS

There are plenty of ways to land your dream career, so give yourself a head start and get ahead of your peers with a school-based apprenticeship or traineeship.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you're still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

After selecting the industry you are interested in and talking with your school and parents, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs. Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us.

School-based apprentices and trainees do not pay fees for training at TAFE Queensland, this is funded by the Queensland Government; however, you may need to pay some costs for tools and compulsory personal protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing Year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

**FOR MORE INFORMATION ABOUT SCHOOL-BASED
APPRENTICESHIPS OR TRAINEESHIPS**

call 1800 210 210 or visit
training.qld.gov.au/apprenticeshipsinfo
